FLIGHT CREW MEMBER ACKNOWLEDGEMENT OF PERSONAL RESPONSIBILITY AND RELEASE

Having been selected as flight crew aboard the hot air balloon Registration

N#_____,piloted by_____.

I hereby acknowledge that the Pilot-In-Command (PIC) has familiarized me with the terms and condition of the FAA Waiver connected with this event and has briefed me regarding my duties and responsibilities as a crew member. I acknowledge that participating in a hot air balloon flight is a potentially hazardous activity. There are risks in the activity, including severe injury and death.

I understand that during my participation in a hot air balloon flight I will be exposed to the risks of participating in a hot air balloon flight, including but not limited to: loss of or damage to personal property, arrest for trespassing or other violations of the law, capsize of basket or other vehicle, collision with obstacles on the ground and/or in the air, accident or illness in remote places without medical facilities, immersion in water, hypothermia, falling from the balloon while in the air or on the ground, fire or flame and temperature extremes or inclement weather, risks which may result in severe injury or death. I understand that although PIC has taken all reasonable precautions to provide an airworthy balloon, equipment and safety preparations for each flight, it is impossible for the PIC to guarantee safety.

I certify that I have not paid any amount for my flight to the pilot or event.

Also, I understand that I share the responsibility for safety during the flight, and I accept this responsibility. I agree to comply with the instructions and directions of PIC and the PIC's personnel before, during and after the flight, and while participating as crew. To the best of my knowledge, I have no physical or psychological problems that would prohibit me from participating in a hot air balloon flight or ground activity. I hereby release the PIC, Hopkins County Dairy Festival, and their employees, volunteers, sponsors, agents, representatives, successors, and assigns from all liability and responsibility for any injury, loss or damage suffered by my person or my property before, during or after the flight.
